Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...

PDF also provides a guide for future rendering of the material by maintaining the look and feel of the original text object. KTH keeps the native format, generally Word or TeX/LaTeX, and then creates a PDF version. However, KTH does not consider PDF to be a preservation format since it is proprietary.
