The diversity in many classrooms provides a starting point for children to begin to understand and value the many distinct cultures of the world. What better way to do that than to feature a winter unit on light festivals from around the world. Teach your students about the cultural traditions in France, Sweden, Thailand, Philippines, India, Egypt, Holland, and Mexico.

California Agriculture - Current issue and featured articles. Multiple species of Phytophthora have been identified in production facilities of plants used in reforestation and restoration projects. There's a risk that infected plant stock will lead to Phytophthora species establishing and spreading in habitats that, having never experienced their presence, may be highly susceptible to infection.
