

submissive men and dominant pdf

The terms top, bottom and switch are used to describe roles for the duration of a sometimes sexual act, or may be used more broadly as a psychological, social, and sexual identity, as well as indicating one's usual preference. The terms top, bottom and switch are also used in BDSM, with slightly different meanings. In both contexts, the terms top and bottom refer to dominant or submissive, or ...

In BDSM, Master/slave, M/s or sexual slavery is a relationship in which one individual serves another in an authority-exchange structured relationship. Unlike Dominant/submissive structures found in BDSM in which love is often the core value, service and obedience are often the core values in Master/slave structures. The participants may be of any gender or sexual orientation.
