The ACT test is a curriculum-based education and career planning tool for high school students that assesses the mastery of college readiness standards

The ACT Test for Students | ACT

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K“12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

The Digital Youth Network is, at its core, a design-based research project. The research team works with DYN mentors, students, families, and other practitioners to better understand the impact of DYN initiatives and learning environments on youth, educators, organizations, and communities, identifying critical practices and informing iterations of the DYN model.
