America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

America on the Move | National Museum of American History

The American Revolution was a colonial revolt that took place between 1765 and 1783. The American Patriots in the Thirteen Colonies won independence from Great Britain, becoming the United States of America. They defeated the British in the American Revolutionary War (1775–1783) in alliance with France and others.. Members of American colonial society argued the position of "no taxation ...

Breastfeeding and human milk are the normative standards for infant feeding and nutrition. Given the documented short- and long-term medical and neurodevelopmental advantages of breastfeeding, infant nutrition should be considered a public health issue and not only a lifestyle choice. The American Academy of Pediatrics reaffirms its recommendation of exclusive breastfeeding for about 6 months ...

Kate Summer, a nurse case manager on a telemetry unit, is leading an initiative to reduce the 30-day readmission rate of older patients with heart failure. She knows from experience that more effective communication and collaborative planning by the interdisciplinary team managing these patients is crucial for reducing readmissions. But doing this has been challenging for [!]
