Americans Adopt the Auto. While the other sections of the exhibit investigate a certain period in a certain era, Americans Adopt the Auto examines how Americans across the country began to use the automobile from its inception in the late 19th century until the current 1990s. From the first drivers across muddy roads to solar-powered vehicles going down the highway, explore the way America ...

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.
