The Art of Boot Making: Lasting. Whether it's tightness in the ball of your foot or calf, or even that searing pain in your arches, the pain is real and often unbearable. While these "off the shelf" boots or even misfitting custom boots can be a pain, they are often what lead customers to our doorstep.

The Art of Bootstrapping. The theory is that profits are the key to survival. If you could pay the bills with theories, this would be fine. The reality is that you pay bills with cash, so focus on cash flow. If you know you are going to bootstrap, you should start a business with a small up-front capital requirement, short sales cycles,...
