Baby boomers (also known as boomers) are the demographic cohort following the Silent Generation and preceding Generation X. There are varying timelines defining the start and the end of this cohort; demographers and researchers typically use starting birth years ranging from the early-to mid-1940s and ending birth years ranging from 1960 to 1964.

Baby boomers - Wikipedia

A baby boom is a period marked by a significant increase of birth rate. This demographic phenomenon is usually ascribed within certain geographical bounds. People born during this period are often called baby boomers; however, some experts distinguish between those born during such demographic baby booms and those who identify with the overlapping cultural generations.
