History - Albuquerque International Balloon Fiesta

The history of ballooning, both with hot air and gas, spans many centuries. It includes many firsts, including the first human flight, first flight across the English Channel, first flight in North America, and first aircraft related disaster.

History of ballooning - Wikipedia

With the outbreak of the American Civil War, President Abraham Lincoln did consider the possibility of an air-war mechanism. This had some of the top balloonists in the country vying for position as chief aeronaut of a would-be aeronautics division. The scientific community as well showed great support in influencing Washington to consider the use of balloons.

History of military ballooning - Wikipedia

Timeline of Events from the Start of WW1 to Start of WW2 This Timeline is provided as a part of my Article: Part II, History of the World and of World War 2;

Timeline of Events from the Start of WW1 to Start of WW2

For pilots ready to go up, up, and away in their beautiful balloons, this official handbook is a must-have. Created by the Federal Aviation Administration (FAA), it conforms to the agency's certification standards and offers both beginning and experienced balloonists the essential knowledge necessary for safe piloting.
